What is World Youth Day?

World Youth Day is an international gathering of young adults; a celebration that brings together young people who share the same faith, and take part in a week-long program that culminates with a papal Mass.

Activities include opportunities to: attend sessions about our Catholic faith, receive the Sacraments of Eucharist and Reconciliation, participate in service projects and attend a wide range of entertainment that will include concerts, plays, and dances.

For all who attend, WYD is an unforgettable experience.
